My Stuff

Find this handout, Flash template files, sample children's work and my Flash MX Key Concepts course for teachers - free to download at:

www.sojomediamedia.com/settflash

ActionScript

For anyone who wants to know more about ActionScript (the programming language behind Flash), this is by far the best and simplest tutorial I've found:

www.bit-101.com/tutorials/gravity.html

Lots more increasingly complex tutorials by the same author, Keith Peters, at:

www.bit-101.com/tutorials
